To Whom It May Concern:

Real Clean Services began their services here at Cobblestone Golf Course in 1993 and continued through 2001. Mark Molica takes pride in his work and always seemed to show up just as we needed him. We found his services more than satisfactory and has been completely reliable.

I can recommend Mark Molica, Real Clean Services with complete confidence.

Sincerely,

A handwritten signature in cursive script that reads "Barbara W. Martin".
